

Covid 19 Policy for Face to Face Guitar & Ukulele Lessons In My Home

- Face masks must be worn at all times while in my home.
- Students over 18 will only be offered face to face lessons at my home if they have been double vaccinated against Covid 19.
- Students over 16 will be offered face to face lessons at me home if they have had the 1st vaccination against Covid 19.
- Students must not attend face to face lessons if they have been in contact with anyone at home, school, work, socially etc who has tested positive for Covid 19 or if they are displaying symptoms that could be indicative of Covid 19 / Flu. eg. Coughing, sneezing, runny nose, sore throat, temperature etc. Students will be offered a Zoom lesson as an alternative if they are unable to attend due to illness / symptoms.
- Only **ONE** student can be in my home at any time. To avoid overlapping at my front door, students / parents will receive a text / call when I am ready for the student to be dropped off / collected from the lesson. To avoid disruption and upsetting my neighbours, I am politely requesting that you park on the hill and walk along the pavement to my house.
- Shoes should be removed and placed in the basket in the hall. Students should avoid touching door handles or surfaces if possible.
- Hand sanitizer will be provided but the use of bathroom facilities will not.
